

## GLEMSFORD SOCIAL CLUB

Glemsford Social Club in Hunts Hill offers a superb venue for social events, fundraisers, Weddings, Christenings, Coffee Mornings, Parties etc., well catered for in a large function room, complete with full bar facilities. It is also used by Glemsford Gardening Club and Glemsford Photographic Club for monthly and fortnightly meetings. For members, there is a comfortable separate lounge bar, complete with large screen TV which includes the BT Sports channel.

The club stages regular music events, featuring top artists and we have enjoyed two sell-out visits by Eban Brown of the Stylistics in recent times. We are also fortunate to be entertained by local favourites, such as Steve Henry and Lisa Porter. There are also regular monthly events including Cash Bingo, Poker Tournaments, Cribbage, Whist and Domino drives. Quizzes are also held every few months. All this, and low prices for beer, wine and spirits too!

**MEMBERSHIP of the Social Club for 2016 is STILL ONLY £5 PER PERSON.**

FILM CLUB screenings for members are free and shown on the second Tuesday of each month at 2.30pm and 7.30pm, so that's two different films from a varied programme. "Lady in the Van" and "Suffragette" will feature in the next couple of months.

There continues to be a wide range of events and activities to suit all ages and interests. You can find out "What's On" by looking at [www.theclubglemsford.org.uk](http://www.theclubglemsford.org.uk) You can also find us on Facebook; there is up-to-date event information on the Glemsford Social Club page.

We are delighted to announce on Sunday 8<sup>th</sup> May, at 3pm, (doors open 2.30pm) Vikki V's Theatre Productions Presents: "We'll Meet Again" – a Wartime Musical. Tickets price £4.00 are available in advance or on the door. There will be refreshments and a raffle. Always very popular, previous productions have included "Peter Pan" and "Mama Mia!"

The AGM in February was well attended, and the Club is doing well. Hugh & Paul have been fantastic as Secretary and Treasurer, ensuring through considerable effort on their part that the Club has gone from strength to strength in recent years. They now deserve a well-earned break, with our grateful thanks. With both new and long-standing committee members, we are getting to grips with all that needs to be done, as there is a building to take care of, and we must constantly improve and maintain a facility of which we can all be extremely proud. Cora & Robin Brown have put a huge amount of effort into raising funds for a disabled toilet, the most recent event being a Race Night which was very enjoyable and raised a further £430. By popular request, another is being organised for Saturday May 14<sup>th</sup>. So, it's "All Systems Go!" on the toilet front and I'm sure we'll make a big announcement when work has been completed.
