It is encouraging to see that once again crimes recorded within the parish are low. With the last period 6 crimes have been recorded compared to 17 crimes the same period last year showing an obvious decrease. A police surgery was held on the 03/08/2012 at the Village Hall, no issues for police attention were raised however it was good to engage with those who visited. The surgery will be a regular engagement for those to come and speak with myself about any issues within there community.

Concerns have been raised in regards to the security of the Downs Factory on Brook Street. The Parish Council and myself are working closely together with other partner agencies in the aim to secure the premises. If any persons are seen to enter the premises please can residents contact police at the time.

There are many ways in which you can help yourselves becoming a victim of crime.
