If you have any information that would be of interest regarding this or any other offences, please let Babergh West SNT know or contact Crimestoppers anonymously.

Crimes recorded within the Parish of Glemsford have increased from the same period last year. Five of these crimes are burglary other building and no houses on these occasions were entered. Three out of the five are believed to have been committed by the same suspects at the same period of time. However Crime across Suffolk is reducing, please be assured that Suffolk Police are continuing to target those individuals who are involved in burglary's within our communities.

You can help us reduce crime further and protect your home by following these simple steps:

- Ensure all doors and windows are closed when leaving your property.
- Lock doors and windows even if popping out for a few minutes
- Remove tools/objects i.e. bricks and garden tools from the garden as these could be used to force entry.
- Lock rear gates and sheds with a good quality padlock.
- Use lights/radio on timers when you are out
- Use dusk to dawn lighting around your home
- Leaving your home unlocked all in darkness and with valuables all on view could mean that you end up giving burglars a gift.
- Call police if you see or hear anything suspicious.

Please remember many burglaries occur because a thief sees the opportunity of a window left open or a door unlocked.

On Friday 8th February a police crime reduction surgery was held at Glemsford village hall for all to visit. This proved successful and arrangements will be made for another surgery to take place.

There are many ways in which you can help yourselves not becoming a victim of crime. If you would like to have a tailored crime prevention survey for you, your home, vehicle or business premise, please do not hesitate to contact any member of the Babergh West safer neighbourhood team. In addition to this there is a website called www.immobilise.com, where you can register your property for FREE and improve your chances of getting it back if it is lost or stolen.
