If you have any information that would be of interest regarding this or any other offences, please let Babergh West SNT know or contact Crimestoppers anonymously.

Its is reassuring to once again see crimes recorded this month within the parish of Glemsford have decreased compared to the same period last year. It is important that residents continue to secure their homes and vehicles not leaving any thing of value on display. In the upcoming months towards Christmas and shortly after diesel tanks are often targeted in the rural villages. Therefore security needs to be checked regularly on the tank and surrounding.

There are many ways in which you can help yourselves not becoming a victim of crime. If you would like to have a tailored crime prevention survey for you, your home, vehicle or business premise, please do not hesitate to contact any member of the Babergh West safer neighbourhood team. In addition to this there is a website called www.immobilise.com, where you can register your property for FREE and improve your chances of getting it back if it is lost or stolen.

A police surgery will once again take place this September within the village hall but a date is yet to be confirmed.
