**Hello, for those that I have not yet been in contact with, I would like to introduce myself as the new Inspector for Babergh. I have now been in post for one month having replaced Insp Paul Crick in late July 2014.**

**I just wanted to update you on the news that PcsO Siobhan Hemmett has been successful in her recent application for a twelve month secondment to a new role based in Bury St Edmunds. The role will involve Siobhan looking at how the Police respond to Mental Health in order reduce the huge demand that this area of work places on our service. Siobhan starts her new role at the start of September.**

**Whilst Siobhan is away, other officers from the West Babergh Safer Neighbourhood team will step in to cover your area so that the impact will be minimal. The main change will be that a different officer will attend your local community meetings. I can assure you that this officer will be from the same team and so will already have a good idea of the issues that currently**

affect your area. This may take a few weeks to put into place as officers will need to add new dates to their diary's. There is no change to the 24 hour Police cover which will still be maintained by our response teams based at Sudbury and Hadleigh.

Thank You

Danny Cooper  
Inspector

If you have any information regarding this or any other offences, contact Babergh West SNT

Some of the nearby villages have had their out buildings have been broken into and garden tools taken. Please remember to make sure you house and buildings are locked at all times. Please report any suspicious people or vehicle to police immediately.

### REDUCE PROPERTY CRIME

Thousands of items of property are lost or stolen each year in the UK. The Immobilise National Property Register already holds the details of 25 million items of property. Add yours now to protect your property and to help the Police stop property crime.

### REGISTER

Register your property for free at [www.immobilise.com](http://www.immobilise.com), it only takes a couple of minutes and once you have registered you will have a better chance of getting your property back if it's lost or stolen.

### REPORT

If any item of registered property is lost or stolen report it to Immobilise via your online account. This information is then made available nationally to all the major UK Police forces through their online systems.

### REUNITE

If your registered property is recovered either the Police or Immobilise will contact you and let you know its location.

## Neighbourhood Watch

Neighbourhood Watch is one of the most successful crime reduction initiatives ever.

Schemes vary widely. At its most basic level membership involves being aware of what happens in your neighbourhood, taking simple precautions to prevent and reduce the risk of crime and being alert to anything that is suspicious.

NHW is a community initiative owned and run by the community. The Police support this community initiative, they do not run it. Members have a key role in making it a success.

Neighbourhood Watch aims to develop a close liaison between householders in a neighbourhood and the local Police.

- Help people to protect themselves and their property
- To reduce the fear of crime by means of improved home security
- Greater vigilance
- Rapid and detailed reporting of crime and suspicious incidents to the Police
- Fostering an improved community spirit.

There are many schemes throughout Babergh, and we are keen for parish councils to promote benefits of Neighbourhood Watch in their community, and ultimately for every parish to have at least 1 scheme operating, with as many members of the community involved as possible.
