Please note the crimes are those that are in the interest of the residents of the parish, but should not identify specific addresses. Where there is a risk that an address could be identified and it does not pass the public interest test the address will not be identified. For the same reason domestic disturbances are not identified.

Further Crime information can be seen on the Suffolk Constabulary Crime Mapper

If you have specific information in relation to any of the crime reports please contact [babberghwest.snt@suffolk.pnn.police.uk](mailto:babberghwest.snt@suffolk.pnn.police.uk)

## Press Releases

### Outbuildings broken into – Little Waldingfield

Police are appealing for witnesses after a number of outbuildings were broken into in Little Waldingfield.

Between 6.30pm on Sunday 26 October and 7.30am on Monday 27 October in Church Road;

- An outbuilding was forced and a leaf blower and hedge cutter stolen from within.
- Entry was forced to a garage but nothing was stolen.
- A garage was broken into and stolen a man's Cannondale racing bike from within.
- A further attempted burglary of an outbuilding also took place within these times.

Between 6pm on Saturday 25 October and 4pm on Monday 27 October in The Street, an offender has attempted to gain entry to wooden shed but not successful.

Also in The Street at approximately 1.30am on Monday 27 October, a resident was awoken by a noise and later found entry had been forced to two garden sheds and a red can of petrol stolen.

If you have any information that could help police with their enquiries, please contact PC Grant Stephens from Sudbury on 101 and quote reference number SU/14/2099. Alternatively you can call Crimestoppers anonymously on 0800 555111.

### Catalytic converter marking days – Bacton and Sudbury

Officers from Mid Suffolk and Babergh are holding two free catalytic converter marking sessions to help reduce further crime.

Both are taking place on **Saturday 8 November:**

- **Mid Suffolk** - at Lamberts Service Station in Shop Green, Bacton from 9am to 12pm.
- **Babergh** - at Setyres in Woodhill Business Park, Sudbury from 8.30am until 12.30pm. Please note: smaller vehicles should arrive between 8.30am and 10.30am and vans/ larger higher vehicles between 10.30am and 12.30pm.

Motorists are advised to consider the following advice to protect their catalytic converters, in particular owners of vehicles with a high ground clearance which are often targeted:

- Park your vehicle in a locked and secure garage/compound at all times.
- The use of alarms, lighting and CCTV should be considered to deter thieves.
- If this isn't possible park in a well-lit, public area.
- Vehicles can be parked in such a way as to make access to the catalytic converter difficult, or parallel with another vehicle if you own one.
- Look out for people 'working' under vehicles as they may not be the owners or lease holders, even if they have fluorescent jackets on.
- Remove items of value from your vehicle whilst unattended and keep it secure and locked at all times.
- Mark your catalytic converter by etching your vehicle registration onto the metal shell, or by using a Secured By Design (SBD) approved forensic marking solution which is a heat-resistant paint. This makes it easier for police to trace the converter back to your vehicle should it ever be stolen, and links offenders to a crime.
- Consider fitting additional security on your vehicle(s) by installing an SBD approved converter security product, such as a clamp.
- Please visit the SBD website [www.securebydesign.com](http://www.securebydesign.com) for more information on police approved security products.

For more information contact your local Crime Reduction Officer on 101.

## **SUFFOLK NEIGHBOURHOOD WATCH ASSOCIATION**

Please take the time to have a look at the new SNWA website.

[www.suffolknwa](http://www.suffolknwa)

## **BABERGH WEST SAFER NEIGHBOURHOOD TEAM (SNT)**
