

SENT ON BEHALF OF CLLR JENNIE JENKINS AND CLLR NICK GOWRLEY

Babergh and Mid Suffolk Joint Strategic Plan 2016-2020

We are delighted to announce that both Councils have approved our refreshed **Joint Strategic Plan 2016-2020**.

This Joint Strategic Plan sets out how we aim to deliver enduring and positive changes for our many and diverse communities and businesses over the next five years. It seeks to position our two sovereign Councils ahead of the major financial, demographic and social challenges that our communities face. This will also place the two Councils in the best position to take advantage of the opportunities presented by the Devolution Deal for East Anglia and for the changes in the way public services are delivered in the future.

You can read the full Plan on the Babergh District Council website [here](#), or an overview 'Plan on a Page' [here](#). You can also find the full Plan on the Mid Suffolk District Council website [here](#), or the overview 'Plan on a Page' [here](#).

Please will you help cascade this information to anyone within your organisation you think will find it useful.

If you need any further detail on the Joint Strategic Plan, please contact ourselves, or Lindsay Barker, Deputy Chief Executive of both Councils - Lindsay.Barker@baberghmidsuffolk.gov.uk .

We hope the Joint Strategic Plan acts as an inspiration for our communities, local businesses and other partners to work with us to achieve the Plan's outcomes. We look forward to working with you to deliver this exciting Plan.

Kind regards
